A check for the first year's dues (\$45.00 \$50.00 outside U.S.) and, if applicable, subscription to the *MUIA* plates must accompany this application.

For student memberships proof of enrollment as a full time student should be submitted along with the first year's dues (\$35.00). Minors (ages 14-17) should send a letter from the parent or guardian guaranteeing the payment of dues (\$15.00).

Dues are billed on a calendar year basis. New members will receive all four issues of *Military Collector & Historian* and, if subscribed to, all *MUIA* plates published for the calendar year in which they join. Dues for the following year and those subsequent, regardless of the date the applicant becomes a member, are billed in August.

The Company rewards members who recruit three others to join any year with a free years membership the year following their joining. If you have three friends you'd like to nominate, write their names and addresses on the reverse. You will be credited when they join.
