

**The CMH 75th Anniversary Conference
23-26 May 2024
at the Senator Inn & Spa, Augusta, Maine**

UPDATE

We look forward to welcoming you to Maine to celebrate the 75th Anniversary of the Company during what promises to be gorgeous spring weather. However, it is still early in the season up north, so plan on bringing clothing for both warm weather and layers if it cools down, especially during evenings. Sweaters or light jackets are always a good idea (and rain gear—just in case). Comfortable walking shoes or light hikers are highly recommended for our tours on Saturday. Also, please note that the Company Board, at their last meeting, approved a change in dress code for the banquet this year, which will be jacket and tie (no jeans or shorts) for gentleman and comparable dress for the ladies, as opposed to dress uniform, black tie, or dark suit as per tradition. It was felt that the current baggage restrictions for those flying by air, as well as the long tradition of casual dress amongst Mainers and their guests, warranted a change for this meeting. Our current count of registered members and guests stands at 85, with late registrations still dribbling in. I met with the Senator Inn’s general manager last week and we have added a number of additional rooms to our conference block, so if your current reservation is higher than \$99.99 for a single queen or \$139.99 for a double queen, please call the hotel at: 207-622-8800 and ask for a price change, citing our booking code “SEN CMH 2024.” Registration will start at 10 AM on Thursday and we hope that you will join us for a cocktail and hors d’oeuvres reception at 6 pm, followed by our plenary talk on Maine’s forts by Dr. Joshua L. Smith. Friday’s conference will kick-off promptly at 8:30 AM, with breakfast on your own beforehand (registration ongoing)

MENU SELECTIONS

We would appreciate it if members would respond by email to me with the menu selections for both themselves and spouse or guest for two of the meals provided, namely our Saturday touring lunch and our banquet on Saturday evening. Please circle your preferences and either email back this form or email me the particulars for the members of your party, if you are unable to scan or send a photo of the form as filled out. I need to have this from you no later than 3 pm EST on Wednesday, May 15th. Thanks for your prompt response in advance. Please feel to contact me with any other queries.
