

## *The PASSING OF Michael A. Rosen...1950-2024*

*Michael A. Rosen, M.D., Ph.D., Clinical Pathologist, retired*

After a lengthy illness, our friend and colleague, Michael Allen Rosen, passed away on June 11, 2024. Mike was an active and longtime member of the Chesapeake Chapter of the Company of Military Historians.

Mike was born in Hackensack, New Jersey, on July 26, 1950, the son of Edwin (Tootie) Rosen and Joyce Von Haas. Mike attended Teaneck High School in Teaneck, NJ and graduated from Fairleigh Dickinson University in 1972, also in Teaneck, New Jersey. He later graduated from the Medical College of Virginia, in Richmond, Virginia in 1980 with a Ph.D. in Pathology (Clinical Chemistry) and did his residency in Pathology at Columbia Presbyterian Hospital at Columbia University, New York, NY from 1980 – 1984.

Mike leaves behind his son, Benjamin A. Rosen, MD, his sister, Norma Rosen, and his brother, Robert Rosen and many good friends.

Mike's interests included collecting Civil War related items. In addition to that Mike was a Numismatist, enjoyed fresh water fishing, was an amateur "HAM" radio enthusiast and a Discus fish enthusiast and breeder. He was a passionate reader of history, especially the American Civil War.

### **PROFESSIONAL MEMBERSHIPS**

College of American Pathologists (CAP), appointed CAP lab inspector, 1992

American Association for Clinical Chemistry

Association Clinical Scientists

Clinical Ligand Assay Society

## **LICENSURE**

Maryland DHMH Clinical Laboratory Director's Certification  
New York State Certificate of Qualification (COQ)

## **PUBLICATIONS AND LECTURES**

Rosen, MA. "Purification and Characterization of a Human Pancreas - Specific Esterase." Ph.D. Thesis, 1978. Medical College of Virginia.

Rosen, MA. "C-Reactive Protein (CRP) as a Marker for Malignant Neoplasms." *Clinical Chemistry* 1984; 30:940.

Rosen, MA. "C-Reactive Protein (CRP) as a Marker for Malignant Neoplasms." Presented this paper at the 36th annual meeting of the American Association for Clinical Chemistry, Washington, D.C., July 19, 1984.

Rosen, MA. "C-Reactive Protein: A marker of Infection, Inflammation, Tissue Damage and Malignancy." *Diagnostics and Clinical Testing* 1990; 28:18-22

Rosen, MA. "C-Reactive Protein: Clinical Chemistry Check Sample American Society Clinical Pathologists 1991; CC91 - 10:1-8

Rosen, MA. "Protein Bound Glucose as a Screening Test for Diabetes." *Hospital Practice* 1992; 27: Supplement 1:59-61. Presented at the ADA/University of California Diabetes Symposium, Beverly Hills, CA.

Elevated C-Reactive Protein Levels in Ambulatory Patients. Manuscript being revised and to be submitted to *Annals of Clinical and Laboratory Science*.

Disorders of Calcium Metabolism and the PTH Assay. Lecture to Western New York Section, AACC Rochester, New York, February 21, 1986.

Thyroid Function in Disease. Lecture at AACC, National Meeting, San Francisco, July 1987.
